by KRESTVIEW WOODCRAFT

HELLO

We are LuxCraft, makers of fine outdoor products, and we're pleased to meet you.

Founded in 1990, LuxCraft began as a small business in the corner of a barn, exclusively manufacturing outdoor wood furniture. In the years that followed, as LuxCraft's product line expanded to include outdoor structures and poly furniture, our facilities and dealer base grew accordingly. Flash forward to present day and you'll find our product being made in a 56,000 square foot shop before being distributed to hundreds of dealers throughout the US and Canada.

So what distinguishes LuxCraft from other outdoor product manufacturers? Our first priority is quality, and all furniture and structures are built to last. With 60,000 square feet of warehouse space, we stock over 30,000 items for immediate pick-up or shipment year round. What's more, LuxCraft poly furniture comes with a residential lifetime limited warranty or commercial 5-year limited warranty.

Though LuxCraft is operating on a much larger scale, employing 35 people instead of two, our core values remain the same. Each transaction is handled with integrity and focus on customer service. We build our products with emphasis on durability and longevity, then price it accordingly. Best of all, LuxCraft products are made right here in America (Ohio to be exact) so by buying our products you're not only improving your outdoor space, but boosting the economy as well.

ENRICH YOUR OUTDOOR LIVING SPACE

If you're looking for outdoor furniture to complete your patio or gazebo, poly furniture is your best bet. Poly furniture is low-maintenance, allowing you to spend more of your precious time enjoying the outdoors. There are numerous benefits to spending more time outdoors, and a beautiful backyard, patio, or porch area will act as incentive to choose nature as your entertainment system.

WHAT IS POLY?

Environmentally-friendly

Poly is High Density Polyethylene (HDPE), a recyclable plastic derived from post-consumer waste such as milk and detergent bottles. This material is cleaned in a decontamination process to a purity level of over 99% HDPE, then compounded into solid board stock material. The resulting product contains over 90% recycled post consumer waste by weight.

Will not deteriorate

Exceptional resistance to moisture, fading, insects, splinting, warping and other hazards of environmental exposure common to wood or wood fiber composite products.

Retains vibrant look

High color stability UV pigment systems which minimize material breakdown from prolonged sun and weather exposure.

Essentially maintenance-free

Requires no waterproofing, staining, or other similar recurring maintenance other than an occasional washing with soap and water.

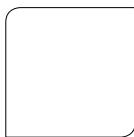

LUXCRAFT POLY COLORS*

Our maintenance-free poly furniture is made in 24 colors. Be sure to check the color boxes in each section for the colors that item is stocked in. Most items are available in non-stock colors for an upcharge.

CUSTOMER SERVICE

Our customer service and sales team is always on-hand to answer questions or assist with orders. We believe the key to good business is a personal relationship with customers, and we strive to achieve that with every interaction.

THE LUXCRAFT DIFFERENCE

LIFETIME WARRANTY

LuxCraft furniture comes with a residential lifetime limited warranty or commercial 5-year limited warranty covering any defective product or part. All you need to do is sit back, relax, and enjoy your new backyard oasis.

QUALITY

Why choose LuxCraft outdoor furniture? Quality is our highest priority, and it shows in the furniture we handcraft for you. We're constantly reevaluating product designs to ensure you're receiving nothing but the best.

MADE IN THE USA

LuxCraft products are made right here in America (Ohio to be exact) by skilled craftsmen in our 56,000 square foot shop. Each product is hand-crafted and inspected before it's allowed to leave the shop.

STAINLESS STEEL FASTENERS

All LuxCraft products are assembled with stainless steel hardware for optimum durability. Stainless steel is corrosion and stain resistant, which ensures its brilliant shine will last for years to come with very little maintenance.

ATTENTION TO DETAIL

Our craftsmen don't cut corners when it comes to building furniture. We reinforce our swings, gliders, and benches with aluminum angle braces. Poly glider arms are used for a stronger, smoother glide, and we make our own heavy-duty swivels.

IMMEDIATE AVAILABILITY

With 60,000 square feet of warehouse space, we stock over 30,000 items for immediate pick-up or shipment year round. Time is precious, why spend it waiting? At LuxCraft, we work hard to anticipate what you need *before* you need it—no waiting necessary.

SWINGS

Swings are one of the most versatile pieces of outdoor furniture—from arbors to trees to porches, hanging options are limitless. Sit in one of LuxCraft's swings on a summer afternoon and you'll be transported to memories from your own childhood. There are three available styles, numerous color options for each one, and each swing is supported with chains rated at 800 lbs. per side. The 4' swings seat two people, and 5' swings seat three with room to spare. *See accessories on page 28.*
